

GAMEPLAY

CARD FEATURES

Each card has four features. Each feature has three possible values:

- Color: Red, Green, Blue
- Shape: Rectangle, Diamond, Squeezy
- Shading: Solid, Striped, Open
- Number: 1, 2, or 3 symbols

HOW TO PLAY

- 12 cards are always visible on the board.
- A valid Pack is always present.
- Select three cards you believe form a Pack.
- If correct, they are cleared and replaced automatically.
- The game ends when there are no more valid Packs remaining.
